

Attention all CJA Appointed Attorneys

RE: Temporary Rate Change Reductions

After much consideration, the CJA Panel Attorney Hourly Rate (18 U.S.C. 3006A and 18 USC 3599) has been temporarily reduced from dates of services September 1, 2013 - September 30, 2014 by \$15.00 per hour for both "in-court " and "out of court" services.

Specifically, panel attorney non-capital hourly rate is now set at a rate of \$110.00 per hour. The maximum capital hourly rate is now set at \$163.00 (for federal capital prosecutions and capital post-conviction proceedings.)

This reduction is pursuant to the Judicial Conference policy directives.

Current Rate	- \$125.00 / Hour non-capital rate	\$178.00 / Hour Capital Rate
New Reduced Rate	- \$110.00 / Hour	\$163.00/ Hour Capital Rate
Effective September 1 - 30, 2013		

Thank you,

Clerk of Court
