Search Strategies

- CM/ECF searches do not use key words. Searches require **exact** matches.
- It may be necessary to conduct multiple searches.
- General search criteria can return more results than desired. For example, if you search for Last Name "Smith" and no first name, the results will return every Smith in the CM/ECF database. It is necessary to provide as much information as known about the party(ies) (i.e. John E. Smith as opposed to Smith only).
 - Search for the entire party's name (e.g., ABC Corporation).
 - Search for part of the party's name (e.g., ABC Corp).
 - Use the asterisk symbol [*] as a wild card to search for words contained within a name.
 - *Corporation would return all party names in the database that contain the word "Corporation" but do not start with the word Corporation.
 - *Corporation* would return all party names in the database that contain the word "Corporation" but do not start or end with the word Corporation.
(The use of an asterisk at the end of the word is not required. The system will automatically perform this function without the asterisk.)
 - Search with and without spaces (e.g., ABC Corporation and A B C Corporation).
 - Search by last name (e.g., Smith) and the first name (e.g., John) and leave the middle name field blank.

Style Conventions for Names

- Do not use all caps. Names should be entered with upper and lower case letters (e.g., Jane Wilson).
- Use punctuation after initials and names (e.g., R.S.T. Development, Inc.).
- When entering names that have upper- and lower-case letters and hyphens, do not insert spaces (e.g., Wal-Mart, Mary Jones-Smith).
- If an individual does not have a middle name, leave that field blank. **Do not enter "NMN" (no middle name) or NMI (no middle initial).**
- If a party has multiple names such as Mary Ellen Kramer Rogers, add the extra names in the middle name field (e.g., Last Name = Rogers; First Name = Mary; Middle Name = Ellen

Kramer).

- Business names should be entered entirely in the Last Name field. Do not use the First Name or Middle Name fields when entering a business name.
- Do not use the ampersand (&) sign for "and" unless it is part of the business name on the initiating document (e.g., A & B Corporation).
