**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF GEORGIA**

**FORFEITURE OF COLLATERAL SCHEDULE
FOR MISDEMEANOR AND PETTY OFFENSES**

INTRODUCTION

(a) Any offense charged by citation or violation notice shall be treated as an infraction, as that term is defined in 18 U.S.C. § 3559, unless the government files a superseding complaint, information, or indictment on or before an initial appearance on the citation or violation notice. The maximum available penalties for an offense charged by citation or violation notice, and not timely superseded, shall be the penalties allowed for infractions, except no term of imprisonment shall be imposed.

(b) Pursuant to Local Criminal Rule 58, the Court adopts the attached Forfeiture of Collateral Schedule to fix the sum a defendant may pay in lieu of a court appearance. Where the Schedule designates a mandatory court appearance by the abbreviation “MCA,” a defendant cannot pay a fixed sum in lieu of appearance.

(c) When a defendant pays a fixed sum in lieu of a court appearance, the Court may enter a judgment of conviction for the charged offense.

(d) When a defendant neither pays the fixed sum nor appears when summoned, the Court may administratively forfeit the collateral in the amount of the fixed sum, which shall not equate to a finding of guilt and instead shall signify the defendant neither contests the charge nor requests a hearing. This rule does not apply to MCA offenses.

(e) Any offense for which the government alleges the victim incurred in excess of \$5,000 in related property damages or medical expenses shall be a mandatory court appearance regardless of whether the Schedule designates a fixed sum.

(f) The officer issuing a citation or violation notice may designate any offense as MCA if the circumstances are sufficiently aggravated.

(g) A defendant must appear in court when any proffered form of payment is uncollectible for any reason within the defendant’s control.

(h) Upon a conviction in any case involving wildlife or property seized under the authority of any federal statute, such wildlife or property shall be forfeited to the U.S. Government and disposed of by the U.S. Fish and Wildlife Service in such a

manner as described by Title 50, Code of Federal Regulations, Part 12.
